

## **SIERRA VISTA AERO ASSOCIATION**

### **Minutes of General meeting Saturday January 9, 2010 at SV Terminal**

Call to order by Ron Kline at 09:00

Treasurer's report, Balance of \$1235.12

Speaker, Carolyn Thompson, Ft. Huachuca Airfield Commander introduced by Ron Kline. Ms. Thompson gave a detailed coverage of the taxiway reconstruction. She stated that construction has stalled due to cleaning Delta Taxiway which will be used while Golf Taxiway is under reconstruction. During this period pilots will taxi from civilian ramp to 26 / 08 by Kilo to delta to mid-field for take-off or back taxi for full field take-off. This construction may continue to February. **Always check ATIS as to current conditions of the field.**

The Aerostat in restricted area R-2312 was destroyed by the high winds and will be replaced soon. Also, another aerostat will be launched in R-2312 on January 15 for a continuous 50 hour test by the US Air force.

January 26 will be an exercise by the US Marines with the Shadow in R-2303 A & B up to 15K ft. **Always check ATIS for operations going on at Libby Field.**

March 26, 2010 at 10:00 there will be a public Air Park dedication at Ft. Huachuca at which time another UAV will be added to the display. Also at this time there will be a tour for civilian pilots to the tower and radar facility.

Carolyn Thompson said the next goal for her command is to build a new control tower.

Discussion followed regarding the useful purpose of SVAA and its continuation.

**Next Meeting: Saturday February 6, 9:00 AM SV Terminal for the purpose of election of new officers.**

**Your attendance is requested.**

Meeting adjourned at 10:40
